<p><b>Treasurer Report</b></p> <p>The Treasurer informed the committee that the club was in the black, but working out predicted costs for the end of the year the club would have a deficit of approx £2000 from the previous year. Please note that the income from previous years has relied on donations</p> <p>However, one of the main issues remains the collection of subs. The committee has decided to take a stronger stance for the future season and unfortunately an increase in subs is inevitable due to members not paying.</p>	<p>Treasurer is to comply a end of season report ready for the AGM with proposals</p> <p>Chair will address the members at the AGM reference policy regarding Subs</p>

<p><b>Summer Academy</b></p> <p>The committee agreed that the summer academy will depend on the coaching team, if the team are unable to assign coaches to the dates then it would be foolish to set the academy up.</p> <p>The welfare officer highlighted that there is a golden opportunity to promote the sport around the local area, Voyager school would also be keen to advertise the event.</p>	<p>Head Coach is to arrange a Coaching team meeting, to iron out any potential problems.</p>
<p><b>Club Day and Summer League</b></p> <p>It was decided that the Club Day was a good idea not only did it promote new members it was an opportunity for current members to meet within the summer, the Social Sec suggested that another club could be invited to take part.</p>	<p>Social Sec's are to decided a date in Sept for the club day to be arranged.</p>

<p>The Summer League was slightly disappointing for the men's team however the mixed proved useful.</p>	<p>The committee decided that someone from the club would be asked to take a lead on a mix team entry.</p>
